Minutemen Club

FRANKLIN ROAD
CHRISTIAN SCHOOL

What is the PTF?

The PTF at FRCS exists to support personally and in the classroom the teachers, administrators, and support staff. The Minutemen Club is the sponsorship program that enables the funding to equip the classrooms, provide for the teachers needs in the classroom, supply funding for educational field trips, and fund other special projects on campus. The PTF's desire through the Minutemen Club is to foster a positive relationship between the school family and the faculty. The Minutemen Club is led by a volunteer Board of Directors who are all parents of current students and alumni.

The Minutemen Club is a once per year event for sponsors with exclusive gifts only available to those that join. All club members will be recognized on a banner displayed within the school.
